BHDP Architecture Opens New Office in Pittsburgh, PA

(Cincinnati, OH; May 15, 2017) BHDP Architecture is pleased to announce the opening of a new office in Pittsburgh. The office will be led by Mark Chachula, RA, LEED AP, PE who has been with BHDP for five years. “I’m excited to help bring BHDP Architecture to this region. We are already serving several clients in this area from our offices in Cincinnati and Columbus, OH and Raleigh, NC; so it makes sense for us to have additional design and project management resources here,” said Mark Chachula, Sr. Architect.

“Mark is an experienced Registered Architect and Professional Engineer who has led many assignments for multiple FORTUNE 500 clients. Putting Mark and our newest office in Pittsburgh is part of our long-range growth plan. With project locations spanning all 50 states, 5 Canadian provinces and 20 different countries around the globe, this expansion will help us better meet the needs of our growing client base,” said Mike Habel, President/CEO of BHDP.

BHDP’s new office is located at 6425 Living Place, Suite 200; Pittsburgh, PA 15206 and can be contacted by phone at 412-450-6031.

About BHDP

BHDP, an award-winning international architectural firm with offices in Cincinnati and Columbus, Ohio and Raleigh, North Carolina, is recognized for intelligent, innovative and inspiring solutions in architecture, planning, interior design, project management, strategic consulting; and now offers custom facility management, location tracking tools and analytic support via AVUITY, its independent tech services consulting practice. BHDP serves five core markets: Workplace, Retail, Higher Education, Science and Integrated Industrial Design. For information visit www.bhdp.com.
